

FEATURES

4 Large Private Bedrooms
Separate Study Area
Large Theatre Room
Open Living

4 | 2 | 2 | 2

With your lifestyle in mind, we design your house to make use of as many natural elements as possible. With panoramic windows to each room, you will have plenty of natural light and cross ventilation. A Colorbond rainwater tank and the option of installing solar panels we will ensure you will be saving your money and the environment. All our houses go through compulsory BASIX checks to make sure your home remains both economical and ecological.

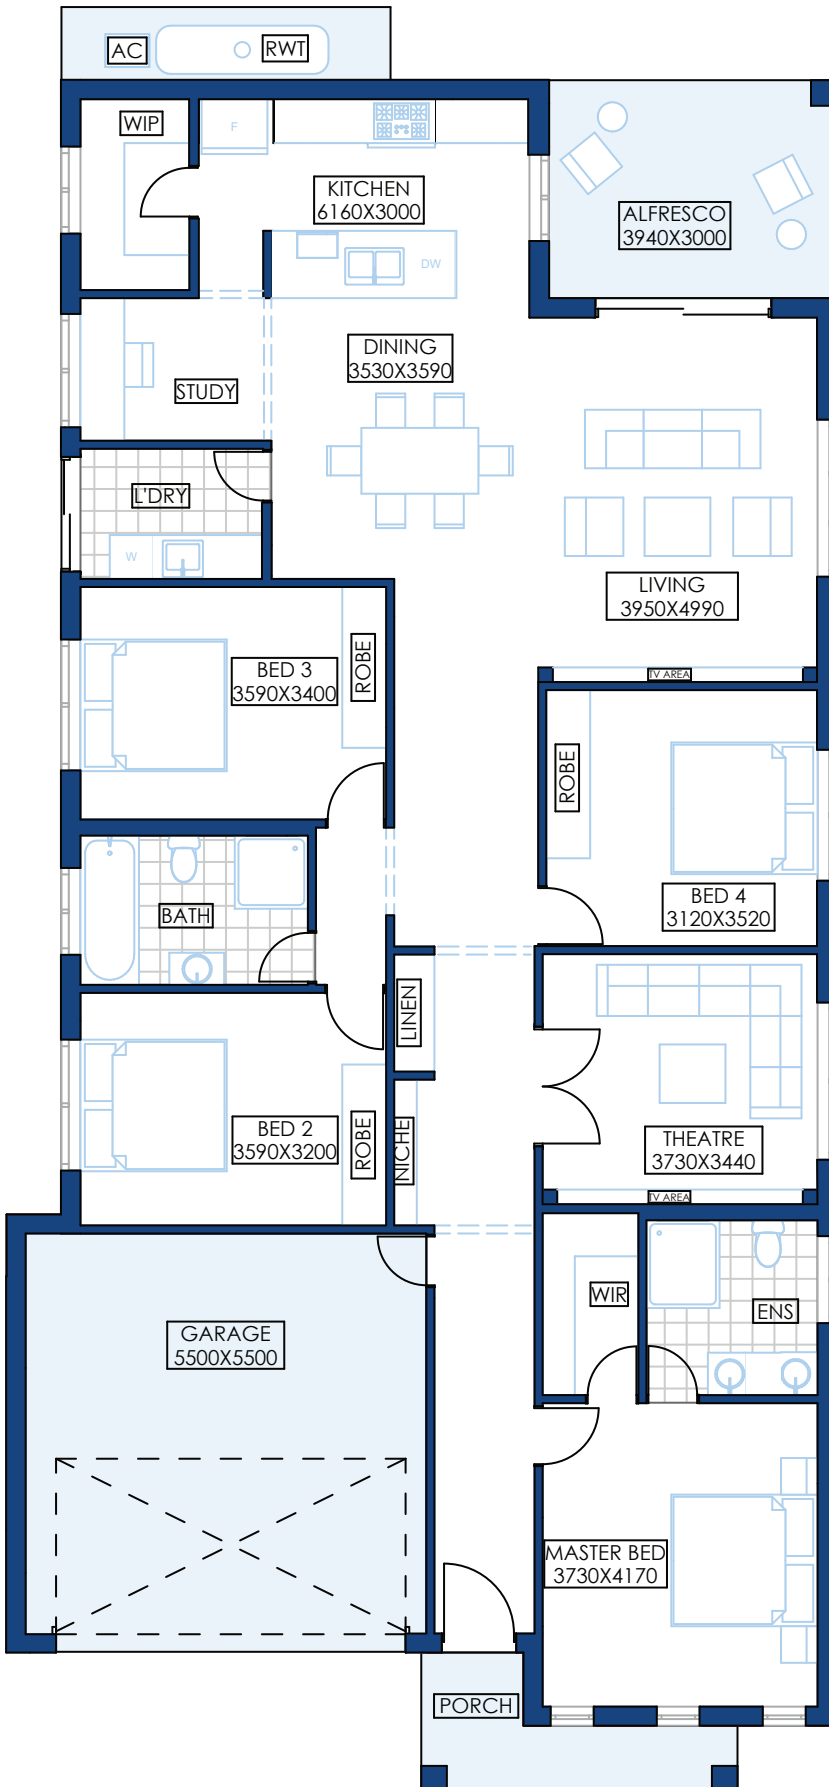

CHERRY

4 | 2 | 2 | 2

Perfect home for first home buyers who want a home that will grow with them, Cherry really holds up to its name. This home is designed to be highly functional for a modern family.

Cherry has an option of 4 large bedrooms with an added theatre, 2 bathrooms, double garage, a fantastic backyard entertainment space and spacious storage area. This home also gives you a designated study area, so you can work in a private, quiet environment and stay free of disturbances.

Cherry is an exceptional home, which allows the free-flow of people, natural light and air. It will certainly be a healthy home, with healthy people.
